New Mexico Medicaid Community Based Pharmacy List

Per House Bill 165 (2024), each managed care organization (MCO) shall ensure that community-based pharmacy providers that provide services to Medicaid recipients are reimbursed a professional dispensing fee that is no less than the professional dispensing fee in the Medicaid Fee-for-Service program.

- The pharmacy must have active registration with New Mexico Medicaid.
- The professional dispensing fee should not need be applied to usual and customary claims (NMAC 8.324.4.16.A.5)

A community-based pharmacy is defined as:

- Open to the public for prescriptions to be filled, regardless of the facility or practice where the prescription was written.
    - Defined as an NPI primary taxonomy of:
        - 333600000X – Pharmacy without other primary taxonomy; or
        - 333600003X - Pharmacy - Community/Retail Pharmacy; or
        - 3336C0004X - Pharmacy - Compounding Pharmacy
- Located in the state or near the state border, if the border town is a primary source of prescription drugs for Medicaid recipients residing in the border area.
    - Boarder town is defined as a town within 100 miles of the New Mexico border (NMAC 8.308.2.9)
- The pharmacy cannot be one of the following:
    - Government-owned;
    - Hospital owned;
    - Owned by a corporate chain of pharmacies with stores outside of the state; or
    - A mail-order pharmacy.
