Dear Director Flannery:

The Centers for Medicare & Medicaid Services (CMS) completed its review of the Final Report for the COVID-19 Public Health Emergency Vaccine Administration amendment to the section 1115 demonstration entitled, "Centennial Care 2.0" (Project No: 11-W-00285/6). This report covers the demonstration period from December 14, 2020 through March 10, 2021. CMS determined that the Final Report, submitted on February 28, 2024, is in alignment with the requirements set forth in Attachment RR of the Special Terms and Conditions (STCs), and therefore, approves the state's Final Report.

In accordance with Attachment R, the approved Final Report may now be posted to the state's Medicaid website within 30 days. CMS will also post the approved Final Report on Medicaid.gov.

We sincerely appreciate the state's commitment to evaluating the COVID-19 PHE Vaccine Administration amendment under these extraordinary circumstances. We look forward to continuing our partnership on the CalAIM section 1115 demonstration. If you have any questions, please contact your CMS demonstration team.

Sincerely,
