TO: HEALTH INSURANCE ISSUERS SELLING HEALTH BENEFIT PLANS IN THE SMALL GROUP MARKET THAT MEET QHP STANDARDS

RE: SMALL BUSINESS HEALTH INSURANCE PREMIUM RELIEF INITIATIVE PREMIUM REDUCTION PERCENTAGE FOR COVERAGE ACTIVE July 1, 2023 UNTIL DECEMBER 31, 2023; PAYMENT TIMELINE AND RECONCILIATION FOR THE 2023 PROGRAM YEAR

THIS BULLETIN is issued pursuant to NMSA 1978, Section 59A-23F-11, which established the Health Care Affordability Fund to "reduce premiums for small businesses and their employees." This Bulletin sets forth program parameters, requirements for issuers, and the Office of Superintendent of Insurance's (OSI's) responsibilities under the Small Business Health Insurance Premium Relief Initiative established in 13.10.36.11 NMAC.

Premium Reduction Percentage

All issuers subject to this Bulletin must reduce premium charges to small group Qualified Health Plan (QHP) purchasers by the credit amount of 10% for coverage active on July 1, 2023, on or off-exchange. The Premium Reduction Credit described in this bulletin will be in effect from July 1, 2023, through December 31, 2023. This period of time will be referred to as "the second half of the 2023 Program Year."

The 10% premium reduction shall be applied by providing a credit for coverage in the invoice to small group QHP purchasers. Each issuer must inform OSI of whether the credit will be applied during the applicable billing month or the following month. An issuer that initially elects to apply

the credit the following month may request to switch to the applicable billing month at any time. OSI may consider requests and provide additional guidance to the carrier on how to transition.

Monthly Issuer Reporting

Issuers must submit data to OSI on a monthly basis in order to receive payment for the discount/credit provided. Until additional guidance related to retroactive adjustments is released, issuers should not report retroactive adjustments/restatements from previous months on this template. Reconciliation will occur on an annual basis, following the 2023 Program Year (see "Annual Issuer Reporting and Reconciliation" on the HCAF webpage (https://bit.ly/3LXA70f). No later than the third business day following each applicable coverage month, using the secure online data-sharing portal provided to the issuer's primary contact by OSI, issuers must submit to OSI:

1. A completed version of the Monthly Reporting Template is posted on the initiative's webpage: https://www.osi.state.nm.us/pages/misc/small-business-health-insurance-premium-relief-initiative.
2. An invoice specifying the amounts owed by OSI for the applicable coverage month. This invoice should include the date, the issuer's contact information, and a note that the invoice is related to the New Mexico Small Business Health Insurance Premium Relief Initiative.

Monthly Payments to Issuers

Upon verification of the submitted data and invoice described above, OSI will issue monthly electronic payments to issuers no later than 15 business days after receiving the necessary documentation. TABLE 1 shows the reporting and payment deadlines for the 2023 Program Year.

> During the 2021 legislative session, the New Mexico Legislature worked with Governor Michelle Lujan Grisham to pass legislation establishing a Health Care Affordability Fund. On April 8, 2021, Governor Lujan Grisham signed Section 59A-23F-11 NMSA 1978 into law, which allows the New Mexico Office of Superintendent of Insurance (OSI) to reduce health insurance premiums for small businesses. Under the program, you will receive a credit on your invoice that reduces your premium by 10%. This premium reduction is part of OSI's Small Business Health Insurance Premium Relief Initiative. You will see the

credit applied to your premium on all invoices received after ["July 1, 2023" OR "August 1, 2023"] through ["December 1, 2023" OR "January 1, 2024"]. You do not need to take any action to receive this credit.

Please note that the initiative is subject to legislative appropriation and the reduction percentage could change from year-to-year. Should the reduction percentage change, [ISSUER NAME] will notify you in advance. If you have any questions about the initiative, please visit https://bit.ly/3HmMKRr.
